

**Murray County Sheriff's Office**

**810 1/2 GI Maddox Parkway**

**Chatsworth, GA 30705**

**706-695-4592**

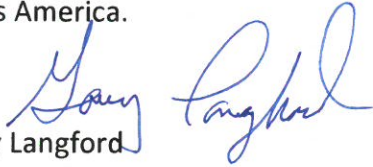

In accordance with the Governor's Office the inmate visitation at the Murray County Sheriffs Office will be suspended until further notice as of today's date (03/14/2020) at 4:00pm. This is in response to the COVID-19 PANDEMIC currently affecting our great state and nation. **The Murray County Sheriffs Office will be conducting business as normal regarding 911 calls for service, extra patrols, investigations, jail operations, and assistance for our citizens. We will still be accepting normal bonding procedure's for arrested persons.**

If you do not have to come to the Sheriffs Office please do not. Any arrestee(s) will be screened before entry into the facility to aid in the medical awareness of our inmate population. Sheriffs Office employees are receiving personal protection equipment in anticipation for this event.

The current crisis has prompted National, State, and Local responses to combat this issue. I along with you hope this will pass quickly. We urge every citizen to follow safe practices as recommended by our public health officials such as the frequent and thorough washing of hands, limiting contact with large crowds and other hygienic practices.

We ask our wonderful community to take part in looking after our elderly citizens and those with underlying medical conditions. If you know of any elderly persons that needs assistance with transportation (doctors visits, pharmacy trips, needs for groceries, etc..) please reach out to the Sheriffs Office starting Monday 03/16/2020 at approximately 8:00 am, we will assist as best we can.

Lastly, I humbly ask you to join me in praying for all those affected by the COVID-19 virus, for our community, our state, and our country that we all love. May God Bless you all and God bless America.
